# IATA Rates of Exchange (IROE)

## NOTE:

The IROE used to convert NUC into the currency of the country of commencement of transportation shall be that in effect on the date of ticket issuance. To calculate fares, rates or charges in currencies listed below: Multiply NUC fare rate/charge by the following rate of exchange: And round up the resulting amount to the next higher unit as listed below:

| Country<br>(+ local currency acceptance limited) | Currency Name     | ISO Codes |         | From NUC   | Rounding Units |               |               |               | Notes |
