## GENERAL GUIDELINES

- You will work with the exam QUESTION BOOKLET and a separate ANSWER SHEET.
- Check that your QUESTION BOOKLET is complete. The number of questions is indicated on the front page.
- Complete the ANSWER SHEET with your personal information. Your Client ID can be found on your examination invitation letter.
- Once the exam is passed successfully, your name will appear on the course certificate as it is written on the Examination Attendance List. Notify the Supervisor if your name is spelled incorrectly on the Attendance List.
- Normal examination conditions apply:
  - No talking is permitted once the examination papers have been distributed.
  - No food and/or drink are allowed in the examination room.
  - Anyone suspected of cheating will have their examination papers canceled.
  - No examination paper may be taken out of the examination room.
  - No photocopy or scan of the examination may be made.
- Once completed, the QUESTION BOOKLET and the ANSWER SHEET must be handed to the Supervisor.

The time allowed for completing this examination paper is indicated on the cover page. You will be advised 30 minutes in advance again 15 minutes before the end of the examination. You may leave the room before, if you have returned your paper to the Supervisor.

## MATERIALS ALLOWED

- Only your IATA course study materials are allowed in the examination room.
- Nonprogrammable pocket calculator and a language dictionary are permitted.
- No other external or supplementary references are allowed. Note books, loose paper notes (other than course content pages), diaries and agendas are not permitted.

## HOW TO WORK WITH THIS QUESTION BOOKLET

- Read each question carefully.
- All questions carry equal marks. All answers must be marked on the ANSWER SHEET and not in the QUESTION BOOKLET. Failure to mark answers on the answer sheet will result in a FAIL grade.

## HOW TO WORK WITH THE ANSWER SHEET

- Read the ANSWER SHEET now.
- Mark only one response per question. No points will be given for a question with more than one marked response.
- Blacken the appropriate circle for each answer option you choose. You must use a lead pencil. If you must change a multiple choice answer, blacken the new circle with your pencil and completely erase the incorrect answer.
- When an exam question presents less than six answer options, ignore any extra blank choices on the ANSWER SHEET. For example, if the question offers only A and B as answer options, fill in A or B on the ANSWER SHEET and ignore C, D, E and F.

## THE END OF YOUR EXAMINATION

Must return the ANSWER SHEET and QUESTION BOOKLET to your exam supervisor.
