a) Decode the information relating to the **OSL- JRO** Transfer Connection flight, in operation on **Friday, March 30** including departure and arrival airports and times. The shipment is ready for dispatch at **1420hrs**, on **Friday, March 30 2018**. Allow at least **THREE** hours at the transfer point. Select a transfer connection flight that results in the earliest arrival in JRO and indicate the type of Aircraft operating the flight. **(10)**

Airport Codes		Departure		Arrival		Airline		Equip.	Class
From	To	Time	Date: Day/Month	Time	Date: Day/Month	Prefix Number	Flight		

b) Answer the following questions correctly. (10)

i. At what time does flight **SK809** depart from OSL on Sunday, March 25?

---

ii. Name the type of Aircraft Operating the flight in i) above. Write the name of the Aircraft in full.

---

iii. From which airport in **LON** does flight **ET701** leave on Sunday, March 25? Give the name of the airport in full.

---

iv. At what time does flight **BD3789** arrive in **LHR** on Friday 20<sup>th</sup> April?

---

v. What is the class of service operated on the flight in iv) above? Write the name of the class of service in full.

---

4. Answer the following questions appropriately. (10)

a) Decode the information relating to the **first two, MMA- PAR** direct flights in operation on **Friday, March 29** including departure and arrival airports and times. Indicate the type of Aircraft operating the flight. (10)

Airport Codes		Departure		Arrival		Airline	Equip.	Class
From	To	Time	Date: Day/Month	Time	Date: Day/Month	Prefix Flight Number		

**b)** Answer the following questions correctly. (10)

**i.** At what time does flight **AF475D** depart from PAR on Friday March 30?

\_\_\_\_\_

**ii.** How many stops does the flight in a) above have?

\_\_\_\_\_

**iii.** From which airport in **Malmo** does flight **AF471D** leave? Give the name of the airport in full.

\_\_\_\_\_

**iv.** At what time does flight **AF487D** arrive in **Paris**?

\_\_\_\_\_

**v.** Name the airport to which flight **AF467D** arrives Write the name of Aircraft type in full.

\_\_\_\_\_

**5.** Answer the following questions appropriately. (10)

**a)** Decode the information relating to the Transfer connection flight, arriving earliest, **MAD CHI**, in operation on **Saturday, March 10** including departure and arrival airports and times. The shipment is ready for dispatch at **1420hrs**, on **Friday, March 30 2018**. Allow at least **THREE** hours at the transfer point. Select a transfer connection flight that results in the earliest arrival in JRO and indicate the type of Aircraft operating the flight. (10)

Airport Codes		Departure		Arrival		Airline	Equip.	Class
From	To	Time	Date: Day/Month	Time	Date: Day/Month	Prefix Flight Number		

**b)** Answer the following questions correctly. (10)

**i.** At what time does flight **CO63** depart from MAD on Saturday March 10?

\_\_\_\_\_

**ii.** Name the class of service for the flight in i) above. Write the class of service in full.

\_\_\_\_\_

iii. From which airport in **New York** does flight **CO758** leave on Saturday day March 10? Give the name of the airport in full.

---

iv. What is the local time and date does flight **EK 606** arrive in **KHI**, on Monday March 19?

---

v. Name the type of aircraft Operating flight CO449 on Saturday March 3. Write the name of Aircraft type in full.

---

6. Answer the following questions appropriately (10)

a) Explain the following codes and symbols which may be found in the flight information columns of the OAG Cargo guide

Example	Column	Explanation
27 APR	Validity	The last day of operation of the flight is on 27 April
i. 1-3-5-7	Days of service	_____
ii. 1400 KBP	Depart	_____
iii. 0430 +2 LHR	Arrive	_____
iv. AC	Class of service	_____
v. TG 961	flight	_____
