

**AFRICAN SCHOOL OF AVIATION**  
**CIVIL AIR LAW AND REGULATIONS**  
**SUPPLIMENTARY EXAMINATION FD WILSON CLASS**

**PART A**

**Answer all questions**

1. Which of the following statements is true concerning the formation of ICAO?
  - a) ICAO was created in December 1944 by 52 contracting states.
  - b) The Chicago convention came into being in April 1944 and Chicago was chosen as the ICAO headquarters.
  - c) All contracting states are members of the United Nations.
  - d) None of the above is correct.
  
2. The right privilege of an airline registered in one state to take on traffic in a second state and put them down in a third country is called
  - a) Second freedom.
  - b) Cabotage.
  - c) Fifth freedom.
  - d) Sixth freedom
  
3. According to ICAO Annex 7, the aircraft registration mark shall be letters, numbers or a combination of both and shall be assigned by
  - a) The state of manufacture
  - b) The state of registry
  - c) The international civil aviation organization (ICAO)
  - d) The state of design
  
4. A change of ownership of an aircraft must be indicated on the
  - a) Certificate of airworthiness
  - b) Aircraft Logbook
  - c) Certificate of registration
  - d) Air Operators Certificate
  
5. A certificate of airworthiness shall be issued if the aircraft is to be flown for the following purposes. Which one is not true.
  - a) Commercial air transport for passengers and cargo
  - b) Aircraft used for air races
  - c) General aviation
  - d) Aircraft for aerial work.
  
6. Which of the following ICAO annexes contains specifications for licencing of crew members
  - a) Annex 3
  - b) Annex 1
  - c) Annex 2
  - d) Annex 4

7. Which of the following is a combination of letters not permitted as an aircraft registration mark

- a) Charlie Romeo Alfa Papa
- b) Sierra Oscar Sierra
- c) Juliet Alfa Alfa
- d) Sierra Alfa Romeo

8. The convention on offences and certain acts committed aboard aircraft is

- a) The convention of Tokyo
- b) The convention of Paris
- c) The convention of Rome
- d) The convention of Chicago

9. Which of the following annexes to the Chicago convention contains minimum specifications for the design of aerodromes?

- a) Annex 6
- b) Annex 11
- c) Annex 10
- d) Annex 14

10. When letters are used for registration mark, combinations shall not be used which might be confused with distress and urgency signals

- a) RCC
- b) NNN
- c) XXX
- d) ZZZ

11. The Warsaw convention and later amendments deal with

- a) The regulation of transportation of dangerous goods
- b) Operators licence for international scheduled aviation
- c) The security systems at airports
- d) Limitation of operators responsibility in passenger and goods transportation

12. One of the main objectives of ICAO is to

- a) Develop principles and techniques for international aviation
- b) Approve ticket prices set by international airline companies
- c) Approve new international airlines with jet engines
- d) Approve new regulations from member states

13. When letters are used for the registration mark, combinations shall not be used which might be confused with the

- a) Three letter combinations used in the international code of signals.
- b) Letters used for ICAO identification documents
- c) Five letter combinations used in the international code of signals.
- d) Four letter combination beginning with letter Q.

14. What does the structure of ICAO consist of

- a) A council, a secretariat, and committees and commissions
  - b) An Assembly, council, secretariat committees and commissions
  - c) A ruling council of a small number of permanent states with committees and commissions reporting to the council
  - d) A assembly of all contracting states meeting once a year from which the council of 33 states is elected, a secretariat, committees and commissions
15. The second freedom of the air is
- a) The right to cabotage traffic
  - b) The right to operate commercial passenger flight with passengers on board between two states.
  - c) The right to land for refueling and maintenance of aircraft
  - d) The right to overfly without landing
16. By whom is an aircraft commander appointed
- a) The authority of the state of registration
  - b) The authority of the state of the operator
  - c) The rest of the crew
  - d) The operator
17. The Rome convention and the latter amendments deals with
- a) Offences and certain other acts committed on board aircraft
  - b) Damage caused by foreign aircraft to third parties on the surface
  - c) Regulation of transportation of dangerous goods by air
  - d) Damage committed by any aircraft to third parties on the surface
18. Who is responsible for the issue of the certificate of airworthiness?
- a) The authority of the state of registration
  - b) The joint Aviation authority
  - c) ICAO
  - d) The Operator
19. What was the outcome of the Chicago convention
- a) ICAO
  - b) PICAO
  - c) The convention on international Civil Aviation
  - d) The 18 annexes to the Chicago convention
20. What is cabotage
- a) The deliberate destruction of aeroplane by terrorists
  - b) The practice of an aero plane registered in one state picking up passengers in another state and then land them at an aerodrome in a third state.
  - c) The right of a state to restrict domestic scheduled air services to airline operators registered in that state
  - d) A freedom not enshrined by ICAO
21. Where must the certificate of registration of an aeroplane is kept whilst the aeroplane is in flight

- a) In the registered office of the operator
- b) By the authority of the state of registration
- c) On the ground at the point of departure
- d) In the aeroplane

22. The international air services transit agreement embodies the technical freedoms of the air. Which of the following is a technical freedom

- a) The freedom to overfly a contracting state
- b) The freedom to land at any aerodrome in a contracting state to drop off passengers
- c) The freedom to land in a contracting state and refuel and unload cargo
- d) The freedom to land in a contracting state for traffic purposes

23. The continuous validation of a certificate of airworthiness is depended upon what

- a) The continuous registration of the aeroplane
- b) The continuous use of the aeroplane for the purpose stated in the certificate of registration
- c) The continued airworthiness of the aeroplane as determined by periodic inspections
- d) The establishment of a schedule for servicing and repair of the airplane in accordance with the regulations

24. The ICAO regional office for Africa and the Indian Ocean is headquartered at

- a) Dakar Senegal
- b) Nairobi in Kenya
- c) Cairo in Egypt
- d) Lagos in Nigeria

25. An air operators certificate is valid for 12 months or for a shorter period occasioned by,

1. The certificate being amended suspended, terminated or revoked by the authority
  2. The operator surrenders it to the authority
  3. The operator suspends operations for more than 60 continuous days
  4. When the operator notifies the authority of suspension of operations
- a) 1, 3, 4 are correct
  - b) 1, 4 are correct
  - c) 2, 3 are correct
  - d) 1, 2, 3, 4 are correct

26. Which of the following is true of an Operations Manual

1. It is the responsibility of the operator to provide it to operations and other personnel
  2. A current copy of the manual must be submitted to the authority
  3. The manual is valid for 12 months after which it is revised
  4. The manual contains the overall, general company polices and procedures
- a) 1, 2, 4 are correct
  - b) 1, 2, 3, 4 are correct
  - c) 2, 3, 4 are correct
  - d) 1, 3, 4 are correct

27. Which of he following registration mark would not be allowed

- a) G-PRAT
- b) 5Y-PAN
- c) 3T- SSS
- d) YT- LLL

28. Which of the following is not a valid reason that can occasion the Authority to reject an application for an air operator's certificate in Kenya. The applicant

- 1. has its principal place of business in Kenya
- 2. has dry leased all the aircraft from a foreign country
- 3. has an adequate organization to supervise and control flight operations
- 4. is properly qualified and adequately staffed

- a) 1,3 and 4 are correct
- b) 1,2, 3 and 4 are correct
- c) 2, 4, are correct
- d) 3 and 4 are correct

29. Which of the following is not a content of an Air Operators Certificate?

- a) A current certificate of the aircraft registration
- b) A certificate for display to the public
- c) Operation specifications containing terms and conditions
- d) The name and location of the main place of business

30. When the authority wish to conduct tests and inspections the following documents must be made available by the AOC holder. Which one is not mandatory.

- a) Operations and maintenance manuals
- b) A list of individual positions responsible for each record and document
- c) A list and qualifications of all the flight crew members
- d) An air operators certificate and its operation specifications

31. The registration mark shall be letters, numbers or a combination of both and shall be assigned by

- a) The state of registry or its common mark registering authority
- b) The state of registry only
- c) The International Civil Aviation Organization (ICAO)
- d) The International Telecommunications Union

32. Which of the following statement is not true concerning the validity of the air operator's certificate?

- a) The certificate is valid for 24 months from the date of issue or renewal
- b) The authority may suspend, revoke or terminate the certificate at any time
- c) The certificate holder can surrender it to the authority on ceasing to operate.
- d) The certificates validity ceases if the holder suspends operations for more than sixty continuous days

33. For how long is the air operator's certificate holder supposed to retain the aircraft technical logbook and the journey log documents?

- a) 6 months
- b) 12 months
- c) 2 years
- d) one year

34. A certificate of airworthiness shall be issued if the aircraft is to be flown for the following purposes except one

- a) Commercial air transport for passengers and cargo
- b) General Aviation
- c) Aircraft for aerial work
- d) Aircraft used for air races

35. An owner of an aircraft who sells the aircraft shall surrender the certificate of airworthiness,

- a) to the authority upon sale of the aircraft within Kenya;
- b) to the buyer in the case of an aircraft sold outside Kenya
- c) to the state of registry
- d) to the buyer in case the aircraft is sold in Kenya

36. The Standards contained in the Annexes to the Chicago convention are .

- a) Binding for all airline companies with international traffic
- b) Binding for all member states that have not notified ICAO of any national difference
- c) As advice and guidance for the air legislation within the member states
- d) Binding for all member states

37. The responsibility for making the operations manual available to the members of operating crew is

- a) The Chief Pilot
- b) The Pilot in command
- c) The Operator
- d) Director of maintenance

38. When a fixed distance markings has to be provided these markings shall commence at

- a) 150 m from the threshold
- b) 300 m from the threshold
- c) 150 m from the aiming point
- d) 300 m from the aiming point

39. The ICAO annex which deals with airworthiness of aircraft is

- a) Annex 7
- b) Annex 2
- c) Annex 11
- d) Annex 8

40. A licensed Air Operators Certificate holder can issue

- a) Certificate of airworthiness

- b) Export certificate of airworthiness
- c) Special flight permit
- d) None of the above

## **PART B**

### **Attempt all questions**

1. Mention the conditions that one has to fulfill to be issue with an air operators certificate. **(8marks)**
  
2. (a) Mention at least **six** types of documents /manuals an air operator's certificate applicant must develop and present to the authority. **(6 marks)**  
  
(b) A certificate of airworthiness will only be issued to an aircraft for specific purposes. List **four** of them **(4marks)**
  
3. (a) Explain the meaning of the "**O**" and "**M**" symbol as appears in column 4 of the Minimum Equipment List. **(8 marks)**  
  
(b) Indicate the repair schedule duration indicated by the following letters **A B C D** as appears in the Minimum Equipment List **(4marks)**
  
4. (a) List at least **six** main aims and objectives of ICAO. **(6marks)**  
  
(b) Mention the **country** and **city** where the ICAO regional offices are located. **(14 marks)**
  
5. List **any ten** ICAO annexes and indicate the information each contain **(10marks)**
